

APOSTLES OF JESUS MISSIONARIES

2021 MISSION COOPERATION

Donna Wood from Camp Hill, Pennsylvania with AJAM in the outreach ministry among the Maasai community in Kenya, 2019.

The Apostles of Jesus is a Religious Missionary Institute founded by two Comboni Missionaries (Bishop Sixtus Mazzoldi and Fr. John Marengoni) in Moroto- Uganda in 1968 for the purpose of the Evangelization of Africa and other parts of the world.

In the midst of the Covid-19 pandemic thousands of people are trying to figure out how to make ends meet. We have never faced a crisis of this magnitude and scale in Africa before. Food prices are skyrocketing because of lockdown and social distancing are making it impossible for some guardians to buy and access food. The most immediate threat, especially in the villages is food insecurity. The Apostles of Jesus AIDS Ministries (AJAM) used to serve 60 families and now the number has increased to 200. The need for emergency food is 4 times our average and we need your help to meet that unprecedented need.

Join Us in Bringing the Good News to All

"How beautiful are the feet of those who bring good news!" (Roman 10:15)

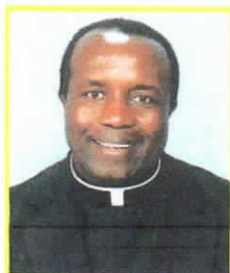

In this year 2021, also, we would like to invite you to join us in our Seminary Support Program. As missionary priests and brothers, we are sent to remote territories, places where people may have never heard of Jesus, or places where poverty and hopelessness are rampant. Your support in the formation of our seminarians is to work with Jesus to bring His love to a world that is in dire need of hope. Your partnership, through your prayers, moral and financial support will help us to have missionaries who are well formed and prepared for the missions and will not only transform our missionaries but also will bring renewal and hope to all people they are called to serve.

Ordination of Apostle of Jesus Members to Deaconate and Priesthood on March 19, 2020 at the Apostles of Jesus Scholastic grounds, Langata Nairobi. 16 deacons and 5 priest were ordained.
